The NV 3B Blanc de Blancs Brut Nature is a blend of Bical, Cerceal and Maria Gomes sourced from 30-year-old vines. It had no dosage and is dry. It comes in at 11.5% alcohol. Light and easy, this is sometimes delicate, but that's only until you get to the crisp finish. Clean and fresh, this is a great sparkler to use as a standalone sipper. Note: Although technically a non-vintage wine, this is from the 2015 harvest. You can tell by the production stamp "L2015BB." This is not imported at this time.
