HUON HOOKE IN CELLAR TALK

Filipa Pato & William Wouters Nossa Calcário Bical 2021, Bairrada, AUD \$72

*This wine, from an exciting new producer in Portugal's Bairrada region, was made from the local bical grape, fermented and matured in 500 and 600 litre barrels.*

*The colour is deep golden-yellow and it has a smoked chicken/chicken stock bouquet, a kiss of toasty oak in the background, the palate rich and complex with amplitude, roundness and good persistence. An impressive full-bodied wine, with a dry-but-soft balance. Think chardonnay from Burgundy with a touch of funk. (Cork)*
